I still don't have the ok from OPA on the listserv so even after the Administrator signs the FRN it could still be a couple of hours before our announcement goes out. Considering that Pat has asked for a response ASAP, would you consider sending something like this? Note that our listserv addresses the legacy issue.

Ex. 5 Deliberative Process (DP)

The docs are just about to be signed by the Administrator. In which case we can say that “**Ex. 6 Personal Privacy (PP)**”

Alex – I know you were having a call about this earlier. Would you like to provide Pat with a comment on the ADAO request?

This organization is asking the agency to delay the public comment and peer review of the asbestos risk evaluation. Any response? Deadline as soon as possible.
